### ***Law of Attraction Experts. Authors. Speakers. A Wild & Crazy Pair!***

Jeanna Gabellini and Eva Gregory, co-authors of the book, *Life Lessons for Mastering the Laws of Attraction*, know the real secret to creating effortless prosperity and extreme abundance. And they can't wait to share that secret with you! Whether you want to establish your financial fortune, have more leisure time, triple your income or know true peace of mind in your personal and professional life, Jeanna and Eva can teach you how to use the Law of Attraction to create the life you want without struggle or sacrifice.

As Master Coaches and co-founders of Abundance Abounds, Jeanna & Eva have taught thousands of people how to create the success, prosperity and financial fortune they desire. Their highly acclaimed radio show and teleclass series, The Jeanna & Eva Show, features today's top leaders in the field of prosperity thinking and abundant living. Their book, *Life Lessons for Mastering the Laws of Attraction*, is co-authored with Jack Canfield and Mark Victor Hansen of *Chicken Soup for the Soul* fame.

Jeanna & Eva infuse their love of fun into everything they do. Their keynote speeches and hands-on workshops are full of high-octane energy, jaw-dropping inspiration and a play-while-you-learn approach that allows people to easily integrate the tools, principles and step-by-step practices that will empower them to create magnificent, abundant lives.

### **What Clients are saying:**

***"Jeanna and Eva are dynamic on stage! You can feel their energy light up a room."***

*"Eva and Jeanna provide people with keys to doors that have been shut for a long time. They give people real tools that can be used right away so they can get over 'making it hard'. They give people permission to live their dreams, let go of the struggle and old stories, and create more than they ever believed they could."*

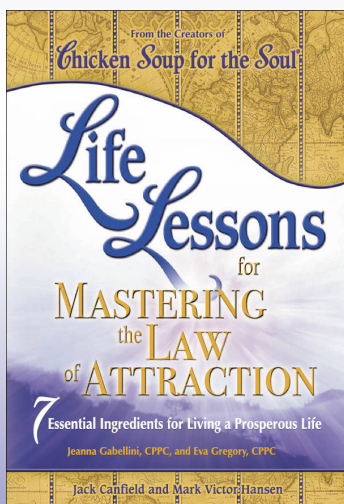

— Mandy Birks, Personal and Professional Coach

*"These two are authentic and full of energy. They turn learning into play! Jeanna and Eva provide practical ways to apply universal principles. I felt inspired to take it to the next level. They challenged my current belief and opened me up to seeing new opportunities. Because they learn about the audience they're speaking to and customize their program based on what their participants really want, they keep people engaged."*

— Rich Fettke, Author of "Extreme Success"

*"Jeanna and Eva are dynamic on stage! You can feel their energy light a room. They are clear about their message and they're quick to give examples. It's been a year yet I can still remember the energy in the room and the "aha!" experiences of the participants. The audience stayed with the presentation and was caught up in the excitement. Jeanna & Eva know how to hold a room! Bravo!"*

— Wendy Hanson, Corley-Hanson and Associates

# Let Jeanna & Eva Design A Workshop Just For You!

Every group is unique, so let Jeanna & Eva custom design a workshop or presentation that works perfectly for you. Listed below are their three most requested presentations, but don't let that limit you! **Jeanna & Eva can apply the Law of Attraction to anything!**

## The Law of Attraction in Action!

Anything is possible if you know how to line up your thought, emotion and energy before springing into action. In this hands-on, interactive workshop, Jeanna & Eva will teach you how to:

- Get those Universal Laws of Attraction working for you so you can have what you want, fast!
- Let go of the limited thinking that is blocking your abundance, prosperity and joy.
- Connect with and listen to your "inner self" so you know what to do and when.
- Take charge of your energy and be inspired to actions that are right on target every single time.
- Switch off old beliefs that don't serve you and turn on the ones that allow you to thrive

## Financial Fortune:

### Where Financial Strategy and the Law of Attraction Meet

What do you get when you combine sound financial strategy with the Law of Attraction? Your financial fortune! In this presentation you will learn how to:

- Drastically change your financial picture for the better in just 16 weeks.
- Clear out your old "lack and scarcity" thinking and get ready to have what you want.
- Increase your assets and profits while honoring your values and living your passion.
- Exchange old habits that block your wealth potential for new ones that work in your financial favor.
- Discover moneymaking opportunities you may be missing.

## The Thrill of Teamwork

There is nothing more powerful than a team of people who know how to use the Law of Attraction in order to co-create amazing success and satisfaction for all. In this presentation you will learn how to:

- Incorporate the Laws of Attraction within the corporate team environment for extraordinary results, off-the-charts morale, and productive fun in the workplace.
- Communicate in a way that unites and strengthens your team to move beyond what they thought possible.
- Allow everyone to feel the thrill of success as they create cohesively, rather than competitively.

*"Quite simply stated, as speakers, Jeanna and Eva demonstrate the 'triple whammy' -- they are succinct, passionate, and inspirational! Jeanna and Eva have proven over and over that they know their stuff, and, more importantly, they believe it, heart and soul, and live it every day. I was mesmerized by their message and energy, and I felt I could listen to them all day; yet, at the same time I was inspired to jump up and take action in that very moment. Jeanna and Eva, through their gifts of intuition and respectful curiosity, have the ability to 'tune in' to any audience and engage people at a deep, thoughtful level. This creates a real 'win' for the audience, in that they are not subjected to yet another speaker talking superficially about a hot topic du jour."*
